First off I want to thank Manouchka Lafontant for the love that she has shown me. I don't know what I would do without her. The second person I want to thank is Andrew A.K.A. Smitty. I've had many memories here. Insiders with Merv n Candice like seasoned salt or the time Jeanette yelled,"Aye yo, turn up the radio" on the bus. Good times. My sister Merv has been

holding it down. A true friend that's been here since 5th grade. Yes! All of my older sisters are gone, CJ,MP,TM but I leave my little sister, Barbara love and another year here. Life in college is coming soon. If there's one thing I've learned during my years it's to do me. Much love to MP, BN, MP, AN, CH, AF, KB, FJ and the class of 2010.

Sarah Becker

Thanks to my family, friends and teachers for helping me get through these past 4 years
Its been fun.

We finally made it, class of 2010.
So good luck to everyone in the future.

Aimee Chau

Throughout my years at Avon, I've made and lost so many good friends. Like Paramore said, "Teenagers; We don't know anything" High School is supposed to be the time of our lives. So I'm glad that I have my best friends and I am also glad that they've stuck with me through everything. I've had countless memories with SB, AC, and MH, that it'd become insignificant if I only put a couple of them here. I've also had many great memories with JD, KT, BP and some others, "I'm weird cause I hate goodbyes, I got misty eyes as they said farewell" Adieu class of 2010!

Daniel Connolly

Alison Copeland

All I can say is wow. We're finally done. Took us long enough, right? I wouldn't have made it w/out my friends. SB, AC, MH: you're all amazing, the best <3 JD: ily! SL: Road trip soon, ily;) ML: WIFEY! idk what I'd do w/out you! <3 Fatty Patty; You're awesome, sorry for always zoning out when you're talking to us :) Mom, Dad, my 3 brothers, love you all, thank you for everything. Anyone else I may not have included and should have: It's been fun, boring, good, & bad. It's been real.

Congrats class of 2010.

Tyler Rakutis

I wanna start this by thanking my parents for helping me get through all of my school years. Thanks for waking me up every morning and putting up with me, love you mom. Also, thanks to my pops for keeping me going and giving me someone to look up to, you're the bestttt. Shout outs to my dudes Bill and BSull! Jessie, thanks for being there for me through everything. My best buddies Molly, Shante, Allyssa, and Jess you guys are da best. I've had a bunch of awesome memories throughout high school but now it's time for me to get back to the life, ight peace

Danielle Teresa Scipione

No one told me that life could be this hard or what true love felt like. That sometimes friends become family and family begin to be strangers. I learned the real definition of friendship and the importance of faith. That people don't take a chance to see the real you, but judge based on appearance. Thank you god, mom, dad, and Britt for pushing me when I wanted to give-up. Thank you Joshua and David for picking me up when I came crashing down. If there's one thing I learned in high school it's that others try to define you, but only you can be the judge of that. Good luck class of 10'. "Be happy" -Patrick

Chad Solomon

First off I want to start by thanking my parents and family because with out them I'm lost. Another thing I would like to thank all the teachers because I wasn't always On my best behavior and could sometimes be a pain but I would like to thank all the Staff at AMHS thank you for everything. In conclusion I would like to thank my BFF Geena who is no longer here for always being there as well as my little brother Terrence, Marquis, Jeanette, Shaynce, Jamaal, my buddy Stephanie R, Tia, Candy, Breezy for always keeping things funny and being real, and all of my other peoples/friends. Warrior Day!

Our summer reading in 2009 was a book called *Warriors Don't Cry* by Melba P. Beals, which was about the Little Rock Nine. We had a special day, to celebrate our reading, that included many activities related to the fifties. Mr. George W. Davis, who was directly involved in the civil rights movement, was a guest speaker for the entire student body. Everyone enjoyed WARRIOR DAY!

THANKS.....

Tayla goes here!

PICTURED ON THIS PAGE ARE THE PEOPLE WHO WORKED TIRELESSLY TO CREATE THIS YEARBOOK. If you like your yearbook, please let one of these people know.

so now it's my turn. It has been both fun and interesting watching the dynamics of the group this year. No matter what, you all worked hard together and made this fabulous Yearbook. You should be VERY PROUD. I know I am very proud of all of you. I would be remiss if I didn't mention some specifics - Shanté and

you had an idea and you went with it (Teacher Surveys, Danielle and those ad phone calls, Candice, all those activity photos (...and some ad calls too). Tayla, help wherever it was needed. Kayla and Alyssa - THE COVER!!! WOW!!! Amy A. Spence and Superlatives - thanks for your follow-through. Ali, the Baby Picture pages look great. Molly - the consistent volunteer for whatever needed doing (the China spread is T-rific!) Sarah, always the closer (willing to do whatever page was needed, constantly above and beyond your assignments). And Fallon, Fallon, Fallon

above the rest. A stick of all the work always, and SO dependable. THANK YOU ALL. It took your GROUP EFFORT to make this happen. You never forget that they will miss you.
